

2ND ANNUAL MEETING

DISTINCTIVE

Decommissioning, Immobilisation and Storage solutions for Nuclear waste Inventories

19TH – 20TH APRIL
2016

We invite you to join us at the 2nd Annual Meeting of the DISTINCTIVE University Consortium.

Come and engage with a growing research and development community concerned with nuclear waste and decommissioning issues in the UK. The meeting will bring together academics, researchers and industrial stakeholders from across the UK's civil nuclear sector. Keynote presentations will also be given by two internationally leading speakers. As such, the event will provide an invaluable opportunity to promote collaboration and to foster knowledge exchange.

By attending this event you will gain an update on our research projects as we approach the programme's halfway point.

@BRISTOL & SS GREAT
BRITAIN, BRISTOL
